22nd June 2017

Dear Parent,

Year 10 and 12 Induction days

Over the next three weeks our new and transferring students will be coming in for induction days at the UTC.

Next week we will be welcoming our new Year 10 students who will be doing their pre-entry testing and having tasters in some subjects over the course of the first half of the week. To allow us to manage this effectively we will have a late start on **Monday 26th June** when the day for our existing students will **start at 9:40** with a 30 minute tutorial after which students will go to lesson 2.

In the following two weeks our new and transferring Year 12 students will be at the UTC preparing for the rigours of 'A' level study. This will not affect the normal running of the UTC.

End of year exams

Students will start their end of year exams on Thursday next week, the timetable for these continues into the following week with students having exams in all subjects that they study.

Reward trip

Our reward trip to Alton Towers takes place on Friday next week. Students in Year 12 who are not going on the Reward trip have a study day and can come into the UTC or work at home. Students in Year 10 should attend the UTC as normal.

A handwritten signature in black ink, appearing to read "R. Fell".

Mr R. Fell

Principal
