Years 11 and 13 Exam leave

11th May 2017

Dear Parent,

The GCSE and A level exam series starts next week and students are busy revising. To allow students to choose the best approach for them our official exam leave for Years 11 and 13 will start on **Monday 15th May**.

This means that from Monday students only have to attend the UTC when they have scheduled exams and can choose how and where they revise. If a student chooses to study at home it is important that they use their time wisely and make the most of the online and other revision resources that have been provided.

During the exam period you are welcome to come into the UTC and study or go and see their teacher for support as their timetable will continue to run. Students are to turn up in full business dress and the usual expectations around behaviour and standards are expected at all times. If a student is not behaving in a manner that is acceptable they will be told to leave and continue their revision at home.

In addition to their timetabled lessons there will be targeted revision sessions, breakfast clubs and intervention sessions which students can opt in to or will be asked to attend.

A duplicate copy of their exam timetable has been issued with this letter, students must check it carefully and ensure that they arrive in plenty of time for each exam. If a student misses an exam it cannot be rescheduled and those marks will be lost.

Good luck to all ours students, if they work hard and they won't need it.

Mr R. Fell

Principal
