Re: Prospective students open evening Tuesday 21st March 5:30 – 7:30

Dear Parent,

You will be aware that our next open evening is coming up next week.

Lessons at the UTC will end at 15:40 to allow us to get ready for our visitors, students will be able to leave at that time but will be able to stay on site if they are helping.

To allow the UTC to be put back to its normal state students should return Wednesday morning for lessons starting at 10:30am.

Yours sincerely
