3rd January 2017

Dear Parent/Carer,

I would like to take the opportunity to welcome your child back after the holiday and wish you all a happy new year.

Please note the following key dates in the coming few weeks:

Health and wellbeing day

All students will take part in health and wellbeing day next Tuesday. This is part of our arrangements for PSHE and will cover a range of age appropriate topics and issues.

Open evening for prospective Year 10 and 12 students

We have our second Open evening of the year on **Tuesday 10th January**. The UTC will close to students not supporting the evening at **15:40** to allow us to get ready for this important event.

Parents' Subject evenings

Having taken their mock exams our **Year 13 and 11** students have Subject evenings for you to attend on **Tuesday 17th January** and **Tuesday 24 January** respectively. Teachers will make appointments with students directly, please note that for the Year 11 evening some teachers may have a very high number of appointments so time may be limited. On these days the UTC will close at **14:00** to allow for appointments from 15:00 until 19:00.

Not to miss out, Years 10 and 12 will have their first big exams in late March which will be followed by subject evenings in mid May

Kind regards,

A handwritten signature in black ink, appearing to read "Robert Fell".

Robert Fell, Principal
