# *PC Treasure's Talk on social media awareness*

PC Treasure joined us at the UTC to deliver a lecture on social media awareness where he spoke about the dangers of the internet and how to stay safe

# Sports News

Well done to our handball teams on their recent success in the local schools handball tournament. Our under 16 boys are through to the semi finals, good luck boys!

Why not join our extra curricular activities such as

**NETBALL**

**GYM**

**FOOTBALL**

**PING PONG**

**HAND  
BALL**

Well done to Takunda Zvavareyi and Derrick Acheampong for attending the most activities this term, we hope you've enjoyed them!

# Charity News

We raised £188.65 for  
Macmillan Cancer Support!

Thank you to all who donated your bakes  
and thank you to all who bought them!

**Well done to our P.E staff who ran  
the Birmingham half marathon!  
They raised money for  
Cancer Research, Alzheimer's Charity  
and Revitalise Charity!**

**From 11th-18th December we raised  
money for Compton Hospice!**

**Thank you everyone who donated!**

# Disability Awareness in nursing

Our students really enjoyed this session thanks to Vicky, Ijaz, Roz  
and Maria's Coventry University overview and insight into  
Learning Disabilities in Nursing.

# *St John Ambulance*

**St John  
Ambulance**

# Christmas Jumper day!

  
Save the  
Children  
CHRISTMAS  
JUMPER DAY

# TCP sessions

An NHS Nurse holds TCP sessions where students learn the practical side to the medical industry.

Some of the skills they learn include bandage wrapping, basic first aid, blood pressure, oxygen level monitoring, temperature taking, peak flow measurements and basic skin assessments.

The students learn this through using our life-sized mannequins, which simulate different medical needs!

# A Successful Open Evening

We held a successful open evening on Tuesday 7th November!

Here are a few photos of the evening

# *TCP Sessions*

**Students felt the experience of old age and wear and tear on their bodies with these special suits!**

# Anne Frank

The Anne Frank ambassadors led an exhibition at Walsall College on Monday 27th November 2017.

They led primary school students from Palfrey Junior School round the exhibition giving them an interactive and informative experience.

The teachers from Palfrey were very impressed!

# Mr Teather's Chilli Challenge!

Mr Teather grew chillies, tomatoes, carrots and onions in our garden here at Health Futures UTC. He then held a Chilli Challenge to see who could make the best Chilli sauce!

We held an event where staff and students could vote on attributes such as best label, best taste, hottest sauce and more!

Well done to all our winners and everyone who took part!

# Catering News

The catering department here at Health Futures UTC has won the Eat Out Eat Well Award!

The award scheme has been developed to reward caterers who make it easier for their customers to make healthier choices when eating out. It is managed by Sandwell Metropolitan Borough Council Environmental Health, Trading Standards and Public Health Teams.

Well done to our catering team!

We would like to wish you a  
Merry Christmas and a Happy New Year!
