Dear Parent/Carer

Our Spring newsletter is available to download from the Health Futures UTC homepage, this will give you a flavour of the various events that have happened this term.

Our Year 11 students have a packed Easter revision programme that they have been encouraged to attend. Our programme includes both external teachers working with our students and our own teachers.

We have now launched a text alert system to help with communication. If you have recently changed your mobile phone numbers please would you contact us to update your details. The text alerts will be used primarily by our attendance officer for student absence, but it will be used by other members of staff to communicate with you.

Students return from their Easter holiday on Tuesday 17<sup>th</sup> April as we have a staff training day on Monday.

Yours faithfully
