Dear Parents,

I am writing to introduce myself as the new Interim Principal at Health Futures UTC.

As you know, Mr. Harding has been Acting Principal since January and the governors have been extremely grateful to him for stepping up after the departure of Mr. Fell. I have been brought in as an experienced principal to provide leadership to the team and to ensure that all the students achieve their full potential during their time at Health Futures UTC.

I will be available at the year 11 and year 13 parents' consultation event in two weeks' time and will deliver a number of presentations throughout the event to update you on our plans.

I shall be writing to you again shortly to outline some changes that we will be introducing from next week.

In the meantime, if you have any questions please contact me at the UTC.

Yours sincerely

Ruth Umerah
Interim Principal
