Dear Parents

Arrangements for the end of term and for the start of next term

As we approach the end of this academic year and my first term here, I am astonished at how quickly the time has passed and how much we have achieved in such a short time.

You will know that last week we celebrated the NHS 70th birthday and our students did us proud. The staff at Sandwell Hospital were thrilled with the hampers that the students had put together and our visitors from the health professions commented on how polite and mature our students were.

Sports day on Friday 6th was a huge success. Every student and member of staff participated in some way and the atmosphere was lovely with students in competitive mood, cheering on their peers from their tutor groups. There were some great performances across all events from the conventional sprints and field competitions to the less conventional three legged race and tug of war. Please look for photographs on our website and Facebook pages.

We break up on Friday 20th July and students will finish at 12.30 p.m. after an assembly. They will have the opportunity to buy lunch to either eat in school or take-away.

The new academic year recommences for year 11 on Thursday 6th September at 8.30. Students must be dressed according to the new dress code; black trousers and jacket, white shirt with collar and black shoes. They will be issued with the new tie on the first day and this will be issued free of charge for this year.

May I take this opportunity to wish you an enjoyable summer and I look forward to working with you over the next academic year, ensuring that your sons and daughters receive a high quality educational experience which will result in the best possible academic achievement in their final examinations next summer.

Yours sincerely

A handwritten signature in blue ink that reads "R Umerah".
