Dear Parent

Become a Parent Governor

Health Futures UTC governing body currently has vacancies for 2 parent governors to serve for a period of up to 4 years. Joining the UTC governing body as a parent member offers you the opportunity to make a real contribution to the life and work of Health Futures UTC.

The Health Futures UTC Governing Body aims to ensure that students are attending a successful school, which provides them with a good education and supports their well-being. Members play a key role in supporting the strategic leadership of the school, the raising of standards, overseeing the budget and monitoring progress in the curriculum. Being a member can be very rewarding and will provide you with the opportunity to work as part of a team and gain new skills. Don't worry if you have no experience, as full training and support is available.

Please note that the most important duty of any governor is to attend meetings of the governing body and you should be sure that you are committed and available to do this before applying. At Health Futures UTC the governing body meets 4 times per year. Meetings usually start around 4:00pm.

If you have further queries or would like more information about becoming a parent member please contact Mrs Ruth Umerah, Principal, on the number at the top of this letter. Alternatively please contact the Chair of Governors, Professor Linda Lang by emailing our admin email account at: admin@healthfuturesutc.co.uk.

If you wish to nominate yourself as a parent governor then please complete the enclosed form and return it to Annette Guest, Health Futures UTC, 350 High Street, West Bromwich, B70 8DJ by noon on Friday 19 October 2018. If necessary, an election will be held and further details will be sent in due course.

I look forward to hearing from you soon.

Yours sincerely

A handwritten signature in blue ink that reads "Ruth Umerah".

Mrs R Umerah
Principal
