Dear Parents,

Ofsted Monitoring Visit 5 – 6 February 2019

I am writing to inform you that the letter from Ofsted following their visit last month is now public.

A copy of the letter and accompanying narrative is attached to this email.

The governors and staff at Health Futures are pleased that Ofsted recognised the improvements that have taken place since the last visit.

If you have any questions about the contents of the letter please contact me and I will be happy to talk them through.

Thank you for your continued support.

Yours sincerely
