Dear Parents

**Year 10 and 12 Work Experience – 22<sup>nd</sup> – 26<sup>th</sup> June 2020**

I am aware that your son/daughter has not yet secured a work experience placement. We will offer as much support as we can to find a suitable placement and I appreciate how challenging this can be having phoned numerous organisation already for many of our students. However, I would be grateful if you could encourage them to contact as many businesses as possible over the half term break as well as asking around family and friends to see if there are any opportunities at their places of work.

Once a placement is confirmed students need to complete the form attached and pass back to us so that all the necessary checks can be done. If you have any questions about work experience please contact Mr Szczepanski or Mr. Bradley at school.

Dear Parents

**Year 10 and 12 Work Experience – 22<sup>nd</sup> – 26<sup>th</sup> June 2020**

I am aware that your son/daughter has not yet secured a work experience placement. We will offer as much support as we can to find a suitable placement and I appreciate how challenging this can be having phoned numerous organisation already for many of our students. However, I would be grateful if you could encourage them to contact as many businesses as possible over the half term break as well as asking around family and friends to see if there are any opportunities at their places of work.

Once a placement is confirmed students need to complete the form attached and pass back to us so that all the necessary checks can be done. If you have any questions about work experience please contact Mr Szczepanski or Mr. Bradley at school.

Yours sincerely
